We started in business in 2001 and have been in the top 10 retailers every year since 2003. 2018 we ended the year being #9 Retailer-single dwelling. We are still in the Top 10 Dealers in 2019. And in 2012 we were the #1 Retailer. That is completely from the support you give us and we can never say

Our customers tell us that our classes are informative and great fun, and the only disappointment is not being able to take them all. We pride ourselves in providing the finest instruction at the lowest possible price.

Your place in one of our exciting classes is reserved by <u>full payment</u> of our class fee. All class fees must be paid at time of signing up for the class.

It is disappointing to all when we have to cancel a class, or when the class you want to participate in has already been filled. Therefore, we ask that you please register early, as there is both a minimum and maximum number of students per class.

To receive a refund for a class you have registered for, you must cancel at least one week before the first class. No refund will be given for late cancellation or no show. Please ask for a supply list at the time of registration. You may wish to wait until the class has been confirmed before purchasing your supplies. Do arrange before class time to have all of your supplies and be ready on time for class to start.
